## **Frequently Asked Questions**

#### • How do you connect to my Blog?

Your Membership profile will connect directly to your blog, website, etc. feed. This feed will read every few hours to check for new content. If there is one, your Intuitive Membership account will automatically post it to our network.

#### • Do you need my Login Info for the RSS Feed?

No, we use your public feed. This way we are not showing any of your content you've labeled as private.

#### • Published a new video, how long does it take to show up on IntuitiveTV?

Your Intuitive Membership profile will check your blog, website, etc. every 3 hours for new content.

#### • How does the 3<sup>rd</sup> part RSS feeds work?

When you join Intuitive Lifestyles Consulting your content goes into our shared RSS feed database. This database allows other websites and bloggers to easily embed this feed onto there sites. In return, they get new content from you and you get new eyes on your blog.
